2008. Hardcover. Condition: New. 250 In late 1980s, I was controlling a large staff, which had their own personal problems, but slowly the staff members started approaching me for guidance, though this was not part of my official duty, as such , in the beginning I was reluctant to render any advise, but I found that if the problems are not sorted out in a sympathetic manner, then this leads to loss of output and at times, even led to accidents. As such , I started given tips and encouraged them to solve their problems in their own ways. This helped many and issues were solved amicably. Soon world would become a happier place to live in and harmony will prevail amongst all. Book is only a beginning and not the end.
